

European Mass Casualty Incident Course EMCI-course

May 6th, 2017
Bucharest/ Romania

Course is provided by the Disaster & Military section ESTES,
Chair: M. Bemelman & Pedro Ramos (m.bemelman@etz.nl, pedromcr60@gmail.com)

Course Language: English

For Info and Registration: <http://www.estesonline.org/pre-congress-courses-3>

The Disaster and Military Surgery Section offers a one day pre-congress disaster course on the Saturday prior to the ECTES congress. The venue will be the Medical University of the beautiful city of Bucharest. Under the guidance of an international faculty the participant can expect lectures about the principles of an hospital disaster response, practical exercises and a real-time, scenario-based, simulation. The course will be based on the MRMI doctrine and use the MaCSim® tools. For more details check the website above.

Faculty: M. Bemelman, P. Ramos, M. Mølmer, A. Khorram-Manesh, R. Faccincani, P. Örténwall, M. van Baal, I. Ashkenazi, M. Haverkort, R. Latifi

We kindly invite you to participate as individual or as a complete hospital team.

Organized by
Disaster & Military section
European Society for Trauma & Emergency Surgery
